Message from Our Chairman

Hello Board Members:

I hope everyone is well and staying safe with the unexpected weather our state has seen in the last weeks. The Foundation has been working very strategically to prepare and plan for upcoming events.

The Precision Driving Tack Complex continues to make progress toward its completion. The Foundation has raised 2.8 million for the shell of the Classroom Building but we still lack the 1.5 million to complete the other half of this project. We need your support on this!

The Annual Trooper Awards Luncheon will be held Wednesday, May 25 so please mark your calendars if you are attending this event. We have 43 tables sold but still have tables available for sponsorship. If you have not reserved your table, please contact Caitlin Crane at the Foundation office for a reservation. This year, the Randy and Betty Hedge Scholarship award will be \$4,000 and will be awarded to qualifying children of state troopers and Spouses' Auxiliary members.

Our next golf tournament will be held at the Conway Country Club on Monday, June 13, sponsored by Centennial Bank. Thank you, John Allison, for all you do in support of the State Troopers.

As you all know, the past two years we have been unable to have our Board meeting in person due to Covid concerns. I am happy to announce we will be meeting in person in May but will also offer the Zoom option if you are unable to attend in person.

I look forward to getting to see everyone again and I am very proud of how far the Foundation has come. Please contact me at any time with your questions, suggestions, and concerns.

I appreciate your hard work and support as we step into bigger achievements for the future.

Sincerely,

Frank Guinn
